

Tokyo Sustainable Seafood Symposium 2020 announces its program and speakers, featuring 6 days virtual seminars with 100 expert speakers

Tokyo, Japan (October, 7, 2020)

Seafood Legacy Co., Ltd. and Nikkei ESG will hold the Tokyo Sustainable Seafood Symposium 2020 (TSSS2020) as a virtual event from 4 to 6 and 9 to 11, November, 2020. This year marks the 6th iteration of the Tokyo Sustainable Seafood Symposium, an international flagship event specializing in sustainable seafood. This year's theme is: "Sustainable Seafood and the Blue Economy in the New Normal." The English channel will broadcast the seminar content on Pacific Standard Time (UTC-8), allowing the global audience to view the content and send questions and networking requests to the speakers.

The sustainable seafood movement has continued in spite of the severe adverse circumstances unlike anything seen before. Industry leaders, government representatives, academics, and global NGOs are invited to speak to share their knowledge and experiences, and the perspective of the blue economy, achieving both economic performance and sustainable for ocean resources, will be featured to discuss pressing topics which are of critical importance for the present such as ensuring food security, fishery resource management, technology, responsible procurement, and ESG investment.

[Speakers]
